

Good-looking, FORMER SOVIET OFFICER, 43, 5'6", 140#, seeking a pretty, marriage-minded, sexy, unprejudiced S/DWF (don't mind if you are taller than myself if that is OK with you), with a heart open for a guy who came in, yes, from the cold but still has pretty much warmth, sincerity and concern for others. Enjoy nearly everything including a few smokes, British rock, dogs, SF books, open to new interests but no drugs/bugs, or heavy booze. English was part of my profession, so there should be no communication problems, provided both use listening devices, not just hearing ones. If you are 25-40 and curious, send letter/photo, will return. Reply Ad #X1109691. ☎ 22691.
